Description

Library Management Software is not able to renew the book which he/she has issued already After adding more than 2 books in the Issue Book category the application is getting crashed.

Steps to reproduce:

1. Open the site by clicking on the provided link.
2. Navigate to the login field.
3. Enter the valid details in username and password filed.
4. Now click on the login button.
5. Now click on issued book button.
6. Now click on re-issue button.

Expected Result:

After clicking on re-issue button the books must be added in cart and user must be redirected in to the cart.

Actual Result:

After clicking on the re-issue button application is getting crashed.

Steps to reproduce:

1. Open the site by clicking on the provided link.
2. Navigate to the login field.
3. Enter the valid details in username and password filed.
4. Now click on the login button.
5. Now click on the search bar on the top of home page.
6. Search for some BOOKS eg: SCIENCE Book, J.K Rowling, etc..
7. Now click on the add to cart option.
8. Now observe the result.(after adding 3 books)

Expected Result:

After clicking on add to cart button the product must be added in cart and user must be redirected in to the cart.

Actual Result:

After adding more than 2 books in the Issue Book category the application is getting crashed again and again.
